To whom it may concern:

It is my pleasure to write this reference on behalf of Brendan Prout.

Mr. Prout was a teacher at Horizon Junior and Senior High School from September, 2005 to June, 2008. During this time, he taught 12th grade regular and honors Government & Economics as well as a 9th-12th Guitar Ensemble class. For the 2007-2008 school year, Mr. Prout also served as Department Head for the History Department. In that capacity, it was his responsibility to maintain curriculum being utilized in the 7th to 12th grade history courses, oversee weekly department meetings and provide necessary support for those within the History Department.

Teachers on faculty at Horizon also regularly assume the responsibility of substitute teaching. Mr. Prout was always ready and willing to serve in this capacity.

This teacher is both bright and personable. He relates well with the students and is creative in utilizing a variety of teaching techniques. Mr. Prout's commitment to young people is commendable. He readily joined in on student-planned events and participated in school field trips and retreats.

With his ability, commitment and desire to impact the lives of young people, Brendan Prout is a teacher who can add much to a faculty team.

Please do not hesitate to contact me if you have additional questions.

Sincerely,

Laura Engelberg
